### VERIUNI SUPER 25

Our Veriuni Super 25 offers the most complete daily supplement, with 25 essential vitamins, minerals, and antioxidants.

This vitamin is designed to bolster the immune systems of cancer patients who have gone through chemotherapy and radiation treatment. It contains unique ingredients and is loaded with the powerful anti-oxidant CO-Q-10. Just think what this can do for the normal immune system!

One daily dose of Veriuni Super 25 provides the optimum ratio of these essential ingredients for a healthy life style.

- Veriuni Super 25 Tablets contain the equivalent of four to five Centrum Brand Multi-vitamin tablets in a daily dose.
- Super 25 is ideal for any individual who lives an active lifestyle, works out, or who is currently tired or feeling a lack of energy.
- An ideal immune booster, Super 25 is recommended for individuals who have undergone surgery, cancer radiation treatment, or are HIV or Herpes Simplex positive. To learn more about this product or to order, [CLICK HERE!](#)
